

## NAMAZ ON FRIDAYS

Imam al-Hasan al-'Askari(a.s.) is also reported to have said that whoever offers on Fridays a four unit prayer; reciting in each unit Surah al-Faatehah, Surah al-Mulk, and Surah Fussilat (No. 41), Almighty Allah will allow him Paradise, grant him the right to intercede for his household, and guard him against the grave pressure and the horrors on the Resurrection Day.

When the reporter asked Imam al-'Askari(a.s.) about the best time of offering these prayers, the Imam (a.s.) answered, "The best time is the period between sunrise and midday (zohr)."
